Grinding machine for large areas, 180 mm

LD 24-6 180, Kit Turbo-Jet

Order number 420.514

Grinding machine for large areas, 180 mm

- + Flexible rubber vacuum ring with low-wear metal ring: moves smoothly over the surface and protects against dust and flying stones
- + Vacuum dust collection: protects against abrasive dust, reduces disc wear, keeps concrete pores for the new coat open
- + Soft-start: for a soft start without power overloading
- + Restart protection after power interruption
- + Extraction hood: with stepless height adjustment
- + Vacuum attachment: 32 mm exterior Ø
- + Spindle lock
- + Ideal for large areas
- + Optimum guidance by rear shaft handle
- + With steplessly adjustable, vibration-proof, ergonomic bail handle, for optimum handling and machine control
- + Suction hose/adaptor not included in delivery package
- + Sanding plates of heights 22 mm to 28 mm are suitable
- + Turbo-Jet grinding disc with optimum removal rate. The large number of diamond segments provides a considerably quieter operating performance and a more attractive sanding pattern. Ideal for surface grinding on mineral substrates.
